

## ADDENDUM to the End User License Agreement for Hexagon Products with SAP Crystal Reports Software, Version for Eclipse

---

This addendum (“Addendum”) is applicable to you in the event that you have obtained Hexagon products that deliver SAP Crystal Reports Software, Version for Eclipse (CR4E). With regard to CR4E, (i) this Addendum modifies the End User License Agreement or other applicable software license agreement (“EULA”) between you and Intergraph Corporation doing business as Hexagon Safety & Infrastructure (“Hexagon”) related to CR4E delivered in Hexagon products, and (ii) in the event of a conflict between the EULA and this Addendum, this Addendum shall govern specifically with regard to CR4E described herein. In the event of a conflict of terms between the EULA, any other EULA addendum, and this Addendum, this Addendum shall take precedence over the EULA and any other EULA addendum regarding the subject hereof. The EULA and this Addendum together constitute the “License” applicable to CR4E delivered in Hexagon products identified herein.

This Addendum has two sections that address the licensing of CR4E components. SECTION A addresses the licensing of SAP Crystal Reports Runtime Product (including applicable documentation and materials; together, the “Crystal Runtime Software”). SECTION B addresses the licensing of Crystal Reports for Eclipse Plug-in (“CR4E Plug-in”).

### SECTION A

WebRMS includes the Crystal Runtime Software. For purposes of this SECTION A, “SAP” shall mean Hexagon’s licensor for the Crystal Runtime Software, as well as SAP S.E. and its affiliates.

Your use of the Crystal Runtime Software included in WebRMS is limited to access by and through WebRMS, for the sole purpose of enabling performance of WebRMS. You shall have a non-exclusive and perpetual license to use the Crystal Runtime Software included in WebRMS to run your internal business operations (including back-up and passive disaster recovery) and to provide internal training and testing for such internal business operations, subject to your compliance with the terms and conditions of this Addendum and the SAP OEM Software Use Rights Schedule (“Software Use Rights”), current as of the effective date of the license for WebRMS (containing the Crystal Runtime Software) licensed to you and which is made available at <http://go.sap.com/about/agreements.partner-other-partnerships.html> (under the category of “OEM Agreements,” please select → “Software Use Rights,” and then select the current applicable document). It is recommended that you print a copy of the applicable Software Use Rights for your records. WebRMS, including the Crystal Runtime Software, must be physically installed at your premises.

You agree not to modify, disassemble, decompile, translate, adapt or reverse-engineer the Crystal Runtime Software or the report file (.RPT) format. You agree not to distribute the Crystal Runtime Software to any third party or use the Crystal Runtime Software on a rental or timesharing basis or to operate a service bureau facility for the benefit of third-parties. You agree not to use the Crystal Runtime Software to create for distribution a product that is generally competitive with SAP’s product offerings. You agree not to use the Crystal Runtime Software to create for distribution a product that converts the report file (.RPT) format to an alternative report file format used by any general-purpose report writing, data analysis or report delivery product that is not the property of SAP.

You are not permitted (i) to modify, adapt, translate, process, arrange or otherwise rework the Crystal Runtime Software or make derivative works of the Crystal Runtime Software, nor (ii) to reproduce the results achieved from any of these acts, unless, in each case of (i) and (ii), such acts are necessary for the rectification of defects preventing or impairing the designated use of the Crystal Runtime Software and neither SAP nor Hexagon have offered, upon notification by you of any such defect to SAP and Hexagon in writing, rectification within a reasonable period and subject to the then current reasonable terms, conditions and prices offered by SAP or Hexagon for performing such rectification or have not performed the rectification within a reasonable time period after having been commissioned by you to do so. Any unauthorized works listed in (i) or (ii) above developed by you, and any intellectual property rights embodied therein, shall be the sole and exclusive property of SAP or the respective SAP affiliates, and you hereby assign all rights in them (including moral rights) to SAP or its designated affiliates. To the extent that intellectual property rights embodied therein are not eligible to be transferred by operation of the law, SAP or its affiliates shall be granted exclusive rights to use to the widest extent lawfully possible.

You shall not disassemble, reverse engineer or decompile, nor otherwise create or attempt to create the source code from the object code of the Crystal Runtime Software in any manner; unless such action is indispensable in order to obtain information necessary to achieve interoperability of the Software with an independently created computer program and you have not been provided such information, despite a written request, within a reasonable period of time. Information obtained through such action may not: (i) be used for purposes other than to achieve interoperability; (ii) be given to third parties, unless this is necessary to establish interoperability; or (iii) be used for the development, creation or marketing of programs similar to the Crystal Runtime Software.

The Crystal Runtime Software is considered to be Confidential Information of SAP and its affiliates. "Confidential Information" includes, without limitation, information in tangible or intangible form relating to and/or including released or unreleased SAP software or hardware products, SAP's marketing plans, business policies or practices, financial information, pricing information, sales information, or customer information. Confidential Information shall not include any information (i) which is in the public domain; (ii) which you can show you knew prior to receipt hereunder; (iii) which was independently developed by you; or (iv) which is rightfully received by you from a third party without restriction. During the term of the License and for five (5) years thereafter, you shall maintain the Confidential Information of SAP in confidence using reasonable security measures, shall not disclose it to any third party other than your employees and contractors who have a need to know, and shall use it only as necessary to perform hereunder. Notwithstanding the foregoing, with respect to that Confidential Information rising to the level of a trade secret as defined by applicable law, your confidentiality obligations shall remain in effect for so long as such Confidential Information remains a trade secret. You shall cause each of your officers, directors, employees, and contractors to restrict disclosure and use of such Confidential Information in like fashion, and shall be responsible for any wrongful disclosure or use by any of them. In the event any court or other authority orders you to disclose any Confidential Information of SAP, you shall promptly notify SAP and Hexagon of such order and reasonably cooperate with SAP to contest such disclosure. Upon termination of the License, you shall promptly return all tangible embodiments of SAP's Confidential Information to Hexagon.

The remedy for intellectual property infringement in the EULA shall not apply to the Crystal Runtime Software to the extent an infringement claim results from (i) a correction or modification of the Crystal Runtime Software not provided by SAP; (ii) a failure to promptly install an update for the Crystal Runtime Software; (iii) the combination, operation or use of the Crystal Runtime Software with other software, data or products not provided by SAP, if such infringement would have been avoided in the absence of such combination, operation, or use; or (iv) use of the Crystal Runtime Software in any manner inconsistent with the applicable documentation or license terms and conditions.

WebRMS' Content is governed by the EULA. "Content" means ETL scripts and data warehouses, universes, reports, and dashboards created by Hexagon by using capabilities available in the Crystal Runtime Software. Content may only be used in conjunction with WebRMS obtained from Hexagon. Use of Content with products not obtained from Hexagon, including use with same or similar products obtained directly from SAP, shall be a violation of the EULA.

You shall deploy all Unrestricted Data Licenses of other SAP software in a separate installation from any WebRMS licenses which are considered to be Restricted Licenses due to the inclusion of the Crystal Runtime Software, and Restricted Licenses may not be combined or used with Unrestricted Data Licenses. "Restricted License" means you may use the Crystal Runtime Software only in conjunction with WebRMS with which it was provided. Accessing data that is not specifically created or necessary to enable the functionalities of WebRMS violates the Restricted License. If WebRMS requires the use of a data mart or data warehouse, WebRMS may be used with the data mart or data warehouse only to access data created or necessary to enable the functionalities of WebRMS. "Unrestricted Data Licenses" means SAP software otherwise licensed to you by Hexagon is permitted to access data from both WebRMS and/or other external third party data sources.

You agree to enable both SAP and Hexagon to perform audits with regards to the usage of the Crystal Runtime Software as provided for in the EULA.

## **SECTION B**

The CR4E Plug-in is delivered with WebRMS under a Restricted License. "Restricted License" means you may use the CR4E Plug-in only in conjunction with WebRMS with which it was provided. The CR4E Plug-in is licensed pursuant to the Eclipse Foundation Software User Agreement and all other applicable license terms and conditions referenced in the Eclipse software, as well as the SAP BusinessObjects License Agreement contained in the CR4E Plug-in. Both the Eclipse Foundation Software User Agreement and the SAP BusinessObjects License Agreement are reprinted here in their entirety for your reference.

### Usage Of Content

THE ECLIPSE FOUNDATION MAKES AVAILABLE SOFTWARE, DOCUMENTATION, INFORMATION AND/OR OTHER MATERIALS FOR OPEN SOURCE PROJECTS (COLLECTIVELY "CONTENT"). USE OF THE CONTENT IS GOVERNED BY THE TERMS AND CONDITIONS OF THIS AGREEMENT AND/OR THE TERMS AND CONDITIONS OF LICENSE AGREEMENTS OR NOTICES INDICATED OR REFERENCED BELOW. BY USING THE CONTENT, YOU AGREE THAT YOUR USE OF THE CONTENT IS GOVERNED BY THIS AGREEMENT AND/OR THE TERMS AND CONDITIONS OF ANY APPLICABLE LICENSE AGREEMENTS OR NOTICES INDICATED OR REFERENCED BELOW. IF YOU DO NOT AGREE TO THE TERMS AND CONDITIONS OF THIS AGREEMENT AND THE TERMS AND CONDITIONS OF ANY APPLICABLE LICENSE AGREEMENTS OR NOTICES INDICATED OR REFERENCED BELOW, THEN YOU MAY NOT USE THE CONTENT.

### Applicable Licenses

Unless otherwise indicated, all Content made available by the Eclipse Foundation is provided to you under the terms and conditions of the Eclipse Public License Version 1.0 ("EPL"). A copy of the EPL is provided with this Content and is also available at <http://www.eclipse.org/legal/epl-v10.html>. For purposes of the EPL, "Program" will mean the Content. Content includes, but is not limited to, source code, object code, documentation and other files maintained in the Eclipse Foundation source code repository ("Repository") in software modules ("Modules") and made available as downloadable archives ("Downloads").

- Content may be structured and packaged into modules to facilitate delivering, extending, and upgrading the Content. Typical modules may include plug-ins ("Plug-ins"), plug-in fragments ("Fragments"), and features ("Features").
- Each Plug-in or Fragment may be packaged as a sub-directory or JAR (Java™ ARchive) in a directory named "plugins".
- A Feature is a bundle of one or more Plug-ins and/or Fragments and associated material. Each Feature may be packaged as a sub-directory in a directory named "features". Within a Feature, files named "feature.xml" may contain a list of the names and version numbers of the Plug-ins and/or Fragments associated with that Feature.
- Features may also include other Features ("Included Features"). Within a Feature, files named "feature.xml" may contain a list of the names and version numbers of Included Features.

The terms and conditions governing Plug-ins and Fragments should be contained in files named "about.html" ("Abouts"). The terms and conditions governing Features and Included Features should be contained in files named "license.html" ("Feature Licenses"). Abouts and Feature Licenses may be located in any directory of a Download or Module including, but not limited to the following locations:

- The top-level (root) directory
- Plug-in and Fragment directories
- Inside Plug-ins and Fragments packaged as JARs
- Sub-directories of the directory named "src" of certain Plug-ins
- Feature directories

Note: if a Feature made available by the Eclipse Foundation is installed using the Provisioning Technology (as defined below), you must agree to a license ("Feature Update License") during the installation process. If the Feature contains Included Features, the Feature Update License should either provide you with the terms and conditions governing the Included Features or inform you where you can locate them. Feature Update Licenses may be found in the "license" property of files named "feature.properties" found within a Feature. Such Abouts, Feature Licenses, and Feature Update Licenses contain the terms and conditions (or references to such terms and conditions) that govern your use of the associated Content in that directory.

THE ABOUTS, FEATURE LICENSES, AND FEATURE UPDATE LICENSES MAY REFER TO THE EPL OR OTHER LICENSE AGREEMENTS, NOTICES OR TERMS AND CONDITIONS. SOME OF THESE OTHER LICENSE AGREEMENTS MAY INCLUDE (BUT ARE NOT LIMITED TO):

- Eclipse Distribution License Version 1.0 (available at <http://www.eclipse.org/licenses/edl-v1.0.html>)
- Common Public License Version 1.0 (available at <http://www.eclipse.org/legal/cpl-v10.html>)
- Apache Software License 1.1 (available at <http://www.apache.org/licenses/LICENSE>)
- Apache Software License 2.0 (available at <http://www.apache.org/licenses/LICENSE-2.0>)
- Mozilla Public License Version 1.1 (available at <http://www.mozilla.org/MPL/MPL-1.1.html>)

IT IS YOUR OBLIGATION TO READ AND ACCEPT ALL SUCH TERMS AND CONDITIONS PRIOR TO USE OF THE CONTENT. If no About, Feature License, or Feature Update License is provided, please contact the Eclipse Foundation to determine what terms and conditions govern that particular Content.

### **Use of Provisioning Technology**

The Eclipse Foundation makes available provisioning software, examples of which include, but are not limited to, p2 and the Eclipse Update Manager ("Provisioning Technology") for the purpose of allowing users to install software, documentation, information and/or other materials (collectively "Installable Software"). This capability is provided with the intent of allowing such users to install, extend and update Eclipse-based products. Information about packaging Installable Software is available at [http://eclipse.org/equinox/p2/repository\\_packaging.html](http://eclipse.org/equinox/p2/repository_packaging.html) ("Specification").

You may use Provisioning Technology to allow other parties to install Installable Software. You shall be responsible for enabling the applicable license agreements relating to the Installable Software to be presented to, and accepted by, the users of the Provisioning Technology in accordance with the Specification. By using Provisioning Technology in such a manner and making it available in accordance with the Specification, you further acknowledge your agreement to, and the acquisition of all necessary rights to permit the following:

1. A series of actions may occur ("Provisioning Process") in which a user may execute the Provisioning Technology on a machine ("Target Machine") with the intent of installing, extending or updating the functionality of an Eclipse-based product.
2. During the Provisioning Process, the Provisioning Technology may cause third party Installable Software or a portion thereof to be accessed and copied to the Target Machine.
3. Pursuant to the Specification, you will provide to the user the terms and conditions that govern the use of the Installable Software ("Installable Software Agreement") and such Installable Software Agreement shall be accessed from the Target Machine in accordance with the Specification. Such Installable Software Agreement must inform the user of the terms and conditions that govern the Installable Software and must solicit acceptance by the end user in the manner prescribed in such Installable Software Agreement. Upon such indication of agreement by the user, the provisioning Technology will complete installation of the Installable Software.

### **Cryptography**

Content may contain encryption software. The country in which you are currently may have restrictions on the import, possession, and use, and/or re-export to another country, of encryption software. BEFORE using any encryption software, please check the country's laws, regulations and policies concerning the import, possession, or use, and re-export of encryption software, to see if this is permitted.

**IMPORTANT-READ CAREFULLY:** THIS IS A LEGAL AGREEMENT BETWEEN YOU AND SAP BUSINESSOBJECTS FOR THE SAP BUSINESSOBJECTS SOFTWARE ACCOMPANYING THIS AGREEMENT, WHICH MAY INCLUDE COMPUTER SOFTWARE, ASSOCIATED MEDIA, PRINTED MATERIALS AND ONLINE OR ELECTRONIC DOCUMENTATION ("SOFTWARE"). BEFORE CONTINUING WITH THE INSTALLATION OF THE SOFTWARE, YOU MUST READ, ACKNOWLEDGE AND ACCEPT THE TERMS AND CONDITIONS OF THE SOFTWARE LICENSE AGREEMENT THAT FOLLOWS ("AGREEMENT"). IF YOU DO NOT ACCEPT THE TERMS AND CONDITIONS OF THE AGREEMENT, YOU MAY RETURN, WITHIN THIRTY (30) DAYS OF PURCHASE, THE SOFTWARE TO THE PLACE YOU OBTAINED IT FOR A FULL REFUND.

1. **GRANT OF LICENSE.** SAP BusinessObjects grants you a nonexclusive and limited license to use the Software products and functionalities for which you have paid the applicable fees solely for your internal business purposes and in accordance with the terms and conditions of this Agreement. The Software is licensed, not sold, to you. If you acquired this product as a special offer or as a promotional license included with another SAP BusinessObjects product, additional restrictions apply as set forth in section 3.9 ("Promotional License") below. If you acquired this product bundled or in combination with a third party product, you may only use the Product with the third party product as described in section 3.6 ("Restricted License") below. This license does not apply to any other software program provided with the Software, including promotional software, which is governed by the online software license agreement included with that software. If you acquire or are provided with any directories, components, connectors, utilities, data, or other items from SAP BusinessObjects for use with the Software (the "Additional Technology"), your use of the Additional Technology shall be in accordance with the terms, conditions, obligations and restrictions of this Agreement. The term "Software" as used herein, shall be deemed to include the Additional Technology and Third Party Products.

"SAP BusinessObjects" is the Business Objects company from whom you are purchasing the Software or related services, either directly or indirectly through a reseller; or if no Business Objects company exists in your country, then Business Objects Software Limited.

**2. INSTALLATION AND USE.** You may install and use the Software only in the configuration and for the number of licenses acquired by you. You may also install non-production copies of the Software as is reasonably necessary for disaster recovery, emergency restart and backup, including, but not limited to making copies for such purposes for use at one or more disaster recovery sites. In order to exercise your rights to the Software under this License Agreement you must activate your copy of the Software in the manner described during the launch sequence. SAP BusinessObjects may control the number and type of licenses and the use of the Software by key codes.

**3. LICENSE TYPES, AND DEFINITIONS.**

**3.1. Application License.** An Application License permits you to install a single instance of the Software in a single or multi-server environment and to allow users with a NUL for such Software to access and use the Software. Each Application License is assigned to a single Deployment, and may not be shared among different Deployments.

**3.2. Named User License (“NUL”).** When the Software is licensed on a Named User basis, each individual end user must be specifically identified as the sole holder of a NUL. The sharing of the NUL by more than one individual is expressly prohibited. In addition, NUL(s) may not be transferred from one individual to another unless the original end user no longer requires, and is no longer permitted, access to the Software.

**3.3. Concurrent Access License (“CAL”).** When the Software is licensed on a Concurrent Access basis, the aggregate number of end users accessing the Software at any one time may not exceed the number of CALs you have obtained. CAL(s) are assigned to a particular Deployment, and may not be shared among different Deployments. When using Concurrent Access licenses, you may not utilize a program or system to cache or queue report requests.

**3.4. Processor or CPU License.** When the Software is licensed on a Processor or CPU basis the aggregate number of central processing units (“Processors”) running any Software components(s) (except as to the following components of Crystal Enterprise: the Web Connector, SDK, Report Publishing Wizard and report viewers) may not exceed the number of Processors or CPU licensed. A multi-core chip Processor with *N* processor cores shall be counted as follows: the first processor core in each physical CPU shall be counted as 1 Processor or CPU, and each incremental processor core in each physical CPU shall be counted as 0.5 Processor or CPU.

**3.5. Server License.** When the Software is licensed on a Server basis, the Software may be loaded onto a single computer with up to four (4) Processors or CPUs. A multi-core chip Processor with *N* processor cores shall be counted as follows: the first processor core in each physical CPU shall be counted as 1 Processor, and each incremental processor core in each physical CPU shall be counted as 0.5 Processor.

**3.6. Subscription License.** When the Software is licensed on a Subscription basis, you are granted a non-exclusive and non-transferable license to use the Software for a twelve-month term, renewable annually at Licensor’s then current rate or such other term as mutually agreed by the parties.

**3.7. Restricted License.** If you acquired the Software bundled or otherwise provided in combination with or for use with a third party product (OEM Application), you have acquired a Restricted License. You may use each licensed copy of the Software only in conjunction with the OEM Application with which it was provided. Accessing data that is not specifically created or used by the OEM Application is in violation of this license. If the OEM Application requires the use of a data mart or data warehouse, the Software may be used with the data mart or data warehouse only to access data created or processed by the OEM Application. If you acquired Crystal Xcelsius bundled or otherwise provided in combination with Planning Applications, you have acquired a Restricted License with respect to Crystal Xcelsius. You may use Crystal Xcelsius only in conjunction with the Planning Applications, and accessing data that is not specifically created or used by the Planning Applications is in violation of this license. Restricted Licenses may not be combined with unrestricted licenses in the same Deployment.

**3.8. Development License.** If you receive a Development License, you may use the number and type of licenses acquired only to develop or test Development. A Development License cannot be used in or transferred to a production environment.

**3.9. Update License.** If you received the Software as an update to a previously licensed product, your license to use the Software is limited to the aggregate number of licenses you have acquired for the previous product. If you choose to use the Software and the previous product simultaneously, the aggregate number of licenses used to access the Software and the previous product may not exceed the aggregate number of licenses you acquired for the previous product.

**3.10. Promotional License.** If you received the Software as a special offer or promotional license (“Promotional License”), you may only use the Promotional Licenses with a new Deployment. Promotional Licenses may not be added to or used with an existing Deployment or Project.

**3.11. Evaluation/Not for Resale License.** An Evaluation or Not For Resale License may be used only for the number and type of licenses specified and for the period specified on the Software packaging, ordering or shipping documentation. Upon expiration of such specified period, the Software associated with an Evaluation or Not For Resale license will not function unless Licensee has obtained applicable permanent license keys. If the ordering or shipping documentation specifies a particular project, the Software may be used only with that project. An Evaluation License may only be used for evaluation purposes and may not be used for production purposes. Notwithstanding any other provision of this Agreement, Software provided under an Evaluation or Not for Resale License are provided “AS-IS” without warranty of any kind, express or

implied. An Evaluation License or Not for Resale License may be terminated by SAP BusinessObjects upon written notice at any time.

**3.12. Definitions.** "Deployment" means a single installation of one of the following Software modules: Repository, Security Domain, Central Management Server ("CMS") or CMS Cluster. "Project" means one or more Deployments (a) providing the same or substantially similar reports; (b) utilizing the same or a substantially similar custom application interface; or (c) used with applications consisting of related modules or components.

**3.13. Third Party Products.** "Third Party Product" means any product listed on SAP BusinessObjects' Third Party Price List, or otherwise specified as a third party product on the ordering documentation or the SAP BusinessObjects product documentation. If included with the Third Party Product, use thereof is solely governed by the terms and conditions of the shrink-wrap or click-wrap agreement accompanying such Third Party Product ("Third Party End User Agreement"). All Third Party Products are restricted for use solely in conjunction with the particular Software intended by Licensor to be used therewith or with which SAP BusinessObjects provides the Third Party Product, and may not be used with any other SAP BusinessObjects products, or on a stand alone basis

**4. PRODUCT SPECIFIC USE RIGHTS.** Additional terms relating to your use of the Software are found at [www.sap.com/company/licenses/product-use-rights](http://www.sap.com/company/licenses/product-use-rights), which are incorporated herein by this reference. You acknowledge and agree that these additional terms form an integral part of this Agreement.

**5. OWNERSHIP.** SAP BusinessObjects and/or its suppliers retain all right, title and interest in and to the Software and all copies at all times, regardless of the form or media in or on which the original or other copies may subsequently exist. You neither own nor hereby acquire any claim or right of ownership to the Software or to any related patents, copyrights, trademarks or other intellectual property. You agree to retain the Software, the terms of this Agreement as well as any Software benchmark or similar tests (whether performed by you, SAP BusinessObjects or any third party) in confidence and prevent them from unauthorized disclosure or use except with SAP BusinessObjects' prior written consent. SAP BusinessObjects and/or its suppliers reserve all rights not expressly granted to you. SAP BusinessObjects' suppliers are the intended third party beneficiaries of this License Agreement and have the express right to rely upon and directly enforce the terms set forth herein.

**6. COPYRIGHT.** The Software is copyrighted by SAP BusinessObjects and/or its suppliers and is protected by United States copyright and patent laws and international treaty provisions. You may not copy the Software except: (a) to provide a non-production backup copy; or (b) to install the Software components licensed by you, as set forth in Sections 2, on to computers as part of executing the Software. Solely with respect to the documentation included with the Software, you may make a reasonable number of copies (either in hardcopy or electronic form), provided that such copies shall be used only by licensed end users in conjunction with their use of the Software and are not republished or distributed to any third party. You must reproduce and include all copyright notices, trademarks or other proprietary legends of SAP BusinessObjects and its suppliers on any copy of the Software or documentation made by you. Any and all other copies of the Software made by you are in violation of this License Agreement.

**7. RESTRICTIONS.** Except as expressly permitted by this License Agreement or by applicable law you may not: (a) lease, loan, resell, assign, sublicense, or otherwise distribute the Software or any of the rights granted by this License Agreement without the express written permission of SAP BusinessObjects; (b) use the Software to provide or operate Application Service Provider (ASP), service bureau, marketing, third party training, outsourcing services, or consulting services, or any other commercial service related to the Software such as develop training materials; (c) modify (even for purposes of error correction), adapt, or translate the Software or create derivative works therefrom except as necessary to configure the Software using the menus, options and tools provided for such purposes and contained in the Software; (d) in any way reverse engineer, disassemble or decompile the Software or the .RPT report file format (including reverse compiling to ensure interoperability) or any portion thereof except to the extent and for the express purposes authorized by applicable law notwithstanding this limitation; (e) use the Software to develop a product which is competitive with any SAP BusinessObjects product offerings; (f) use the Software to develop a product that converts the report file (.RPT) format to an alternative report file format used by any general-purpose report writing, data analysis or report delivery product that is not the property of SAP BusinessObjects; (g) use unauthorized keycode(s) or distribute keycode(s); (h) disclose any Software benchmark results to any third party without SAP BusinessObjects' prior written approval, (i) permit third party access to, or use of the Software except as expressly permitted herein, and (j) distribute or publish keycode(s). If you wish to exercise any right to reverse engineer to ensure interoperability in accordance with applicable law, you shall first provide written notice to SAP BusinessObjects and permit SAP BusinessObjects, at its discretion, to make an offer to provide information and assistance reasonably required to ensure Software interoperability with your other products for a fee to be mutually agreed upon (if any).

**8. LIMITED WARRANTY AND REMEDY.**

(a) Excluding Third Party Products, SAP BusinessObjects warrants to you that: (i) for a period of six (6) months from delivery of the Software, the Software will substantially conform to the functional description set forth in its standard documentation; and (ii) for a period of six (6) months from delivery the physical media (e.g., CD-ROM, DVD, and Electronic Software Distribution) will be free from defects in materials and workmanship. Any implied warranties on the Software and Third Party Products and media are limited to thirty (30) days from delivery, to the extent such warranties cannot be disclaimed under Section 8(c) below. The above warranties specifically exclude defects resulting from accident, abuse, unauthorized repair, modifications, or enhancements, or misapplication. SAP BusinessObjects does not warrant that use of the Software will operate uninterrupted or error free. Delivery of additional copies of, or revisions or upgrades to, the Software, including releases provided under Support Services, shall not restart or otherwise affect the warranty period.

- (b) Your exclusive remedy for breach of the above-stated limited warranty shall be, at SAP BusinessObjects' option, either: (i) correction or replacement of the Software with product(s) which conform to the above-stated limited warranty; or (ii) return of the price paid for the Software and termination of this License Agreement with respect to those copies not in compliance. Such remedy shall be provided to you by SAP BusinessObjects only if you give SAP BusinessObjects written notice of any breach of the above-stated limited warranty, within six (6) months of delivery of the Software.
- (c) EXCEPT FOR EXPRESS WARRANTIES STATED IN THIS SECTION 8, SAP BUSINESSOBJECTS AND ITS SUPPLIERS DISCLAIM ALL OTHER WARRANTIES, INCLUDING WITHOUT LIMITATION, ANY IMPLIED WARRANTY (I) OF MERCHANTABILITY, (II) OF FITNESS FOR A PARTICULAR PURPOSE, (III) OF NON-INFRINGEMENT OF THIRD PARTY RIGHTS, OR (IV) AGAINST HIDDEN DEFECTS. SOME STATES/JURISDICTIONS DO NOT ALLOW THE EXCLUSION OF IMPLIED WARRANTIES, SO THE ABOVE EXCLUSION MAY NOT APPLY TO YOU, AND YOU MAY HAVE OTHER LEGAL RIGHTS THAT VARY FROM STATE TO STATE OR BY JURISDICTION. YOU ACKNOWLEDGE THAT IN ENTERING INTO THIS AGREEMENT, YOU HAVE RELIED UPON YOUR OWN EXPERIENCE, SKILL AND JUDGEMENT TO EVALUATE THE SOFTWARE AND THAT YOU HAVE SATISFIED YOURSELF AS TO THE SUITABILITY OF THE SOFTWARE TO MEET YOUR REQUIREMENTS.
9. **LIMITATION OF LIABILITY.** TO THE MAXIMUM EXTENT PERMITTED BY APPLICABLE LAW, IN NO EVENT WILL SAP BUSINESSOBJECTS OR ITS DISTRIBUTORS, SUPPLIERS OR AFFILIATES BE LIABLE TO YOU OR ANY THIRD PARTY FOR ANY INDIRECT, SPECIAL, INCIDENTAL, CONSEQUENTIAL OR PUNITIVE DAMAGES, INCLUDING WITHOUT LIMITATION, ANY LOST PROFITS OR REVENUES, LOSS OR INACCURACY OF ANY DATA, OR COST OF SUBSTITUTE GOODS, REGARDLESS OF THE THEORY OF LIABILITY (INCLUDING NEGLIGENCE) AND EVEN IF SAP BUSINESSOBJECTS HAS BEEN ADVISED OF THE POSSIBILITY OF SUCH DAMAGES. SAP BUSINESSOBJECTS AND ITS SUPPLIERS' AGGREGATE LIABILITY TO YOU FOR ACTUAL DIRECT DAMAGES FOR ANY CAUSE WHATSOEVER SHALL BE LIMITED TO THE SOFTWARE LICENSE FEES PAID BY YOU FOR THE SOFTWARE OR THE FEES PAID BY YOU FOR THE SERVICE DIRECTLY CAUSING THE DAMAGES. SAP BUSINESSOBJECTS WILL NOT BE LIABLE FOR DAMAGES FROM THIRD PARTY PRODUCTS. THESE LIMITATIONS WILL APPLY NOTWITHSTANDING ANY FAILURE OF ESSENTIAL PURPOSE OF ANY LIMITED REMEDY. THE FOREGOING ALLOCATION OF RISK IS REFLECTED IN THE FEES CHARGED UNDER THIS LICENSE AGREEMENT. SOME STATES/JURISDICTIONS DO NOT ALLOW THE LIMITATION OR EXCLUSION OF LIABILITY IN CERTAIN CIRCUMSTANCES INCLUDED IN THIS SECTION, SO THE ABOVE LIMITATION MAY NOT APPLY TO YOU ONLY IN SUCH CIRCUMSTANCES.
10. **SUPPORT SERVICES.** If you purchased Support Services, SAP BusinessObjects will provide to you product support services for the Software in accordance with SAP BusinessObjects then current Support Services terms and conditions. If you purchase Support Services for the Software, you must purchase Support Services for all authorized copies of said Software in your possession. Notwithstanding the foregoing, SAP BusinessObjects does not provide Support Services for Third Party Products.
11. **TERMINATION.** Except where the Software is licensed on a subscription basis or as otherwise specified in an Order Schedule, a Purchase Order or any written SAP BusinessObjects price quotation duly referenced in a Purchase Order, the Software licenses granted hereunder shall be perpetual. If the Software are licensed on a subscription basis and unless the term of the subscription is renewed on or prior to the expiration of the then current term of the Subscription License, the applicable Subscription License shall terminate. Notwithstanding the foregoing, SAP BusinessObjects may immediately terminate this Agreement and any licenses and services provided hereunder if: (i) SAP BusinessObjects notifies you in writing of a breach and such breach is not cured within thirty (30) days; or (ii) you make an assignment for the benefit of creditors or proceedings are commenced by or for you under any bankruptcy, insolvency, or debtor's relief law. Termination shall not relieve you from your obligation to pay fees that remain unpaid and shall not limit either party from pursuing other available remedies. Upon termination by SAP BusinessObjects of this Agreement or any part thereof, SAP BusinessObjects shall have no obligation to refund to you any fees paid by you, and you agree to waive, in perpetuity and unconditionally, any and all claims for refunds. If a Software license is revoked or expired, you must certify in writing to SAP BusinessObjects that you have immediately un-installed and destroyed all copies of the Software within thirty (30) days of such revocation/expiration. The following Sections survive termination of this Agreement: 8(c), 9, 11, 13, 15, and 17.
12. **AUDIT.** During the term of this Agreement and for three (3) years after termination or expiration, SAP BusinessObjects may audit, upon reasonable notice to you and at SAP BusinessObjects' expense, your books and records to determine your compliance with this Agreement. In the event any such audit reveals that you have underpaid SAP BusinessObjects by an amount greater than five percent (5%) of the amounts due SAP BusinessObjects in the period being audited, or that you have knowingly breached any material obligation hereunder, then, in addition to such other remedies as SAP BusinessObjects may have, you shall pay or reimburse to SAP BusinessObjects the cost of the audit.
13. **GENERAL.** Except as otherwise preempted by United States federal law, this Agreement is governed by the laws of the State of New York, United States, without reference to conflict of laws provisions and the United Nations 1980 Convention on Contracts for the International Sale of Goods and any amendments thereto. If any provision of this Agreement is ruled invalid, such invalidity shall not affect the validity of the remaining portions of this Agreement.
